Valerie Thompson Racing and HopeKids.org combine for a special weekend at Firebird Raceway in Phoenix, AZ

Phoenix, Arizona – NHRA Pro Stock Motorcycle racer Valerie Thompson hosted families and kids from Phoenix based charity HopeKids.org this weekend at the AHDRA (All Harley Drag Racing Association) event held at Firebird Raceway. The families were treated to two days at the track as VIP Crew Members and were part of Sunday's opening ceremonies as Valerie Thompson was announced as the # 1 qualifier in the Pro Gas Class.

"It was a great weekend with HopeKids. We are honored to do our part to help this worthy cause. Most of these kids had never been to a race much less on the track. It was awesome to see the looks on their faces. Who knows maybe we had a future racer or two in our pits this weekend," said Valerie "I have to thank Tom McDermott from Metro Auto Auction, who made the weekend possible, as well as Honey Bears Barbeque and Rick Avolio from International Pictures FX for all their efforts."
